HOW TO ENROLL
IN A CHOIR

STEP 1

CREATE YOUR ACCOUNT ONLINE

Go to rockvoices.pike13.com - sign in with your email address and password.
New? Click "Need an Account" and go to Sign Up.
Forgot password? Click "Forgot your Password" and follow instructions. *(We can't send it to you; we don't know it.)*

PICK YOUR REHEARSAL DATE & LOCATION

Click on "SCHEDULE", then on the calendar for the session you want to join.
Then, click on the session you are choosing (e.g., "NY - Albany Fall 2022"), and click on the green "ENROLL" button that appears.
(NOTE: If you don't see that green button in a pop-up window, you need to scroll down and select your choir again.)

STEP 2

STEP 3

CONFIRM YOUR ENROLLMENT

The last step will be to confirm you want to enroll in this choir - double check your date/time, etc., and select "FINISH" if it's all correct.
But you still have to choose a payment plan, unless you're brand new to Rock Voices and trying us out for the first time.

SET UP YOUR PAYMENT PLAN (OPTIONAL)

Click on Payment Plans in the top menu and choose the payment plan that works best for you.
Once you've picked your plan, click "add to cart", and then "secure checkout".

STEP 4

STEP 5

CONNECT WITH FACEBOOK

Be sure to join your choir's Facebook Group if you aren't already a member!
You'll be able to connect with other members, and you'll get notified about emails that were sent, important dates, etc.
Go to Rock Voices _____ (insert your choir's location), answer the simple screening questions and wait to be approved.
